

# Freedom Quest

## AMERICA

***"The quest for one free America!  
Taking back America to God, the  
Constitution and "We the People".***

***By Steve G. Sandoval***

## FORWARD

In his book, Steve G. Sandoval identifies how America arrived in her current divided, bankrupt and morally corrupt state, who is responsible, and identifies the three “pillars of freedom” that every citizen must understand to live free in America as God intended.

The term “two Americas” has often been used to describe two economic classes, but Steve explains the concept of divided America from a biblical truth perspective.

As a nation we have abandoned our foundational truths. Our current education system has now become more of a indoctrination program for liberalism, division, humanism and socialism. The church has become silent and complacent on issues dealing with culture and politics which has led to a nation that is ignorant and has rejected God in every single great institution that helped build this country.

Socialism, identity politics, multiculturalism and political correctness is now ingrained in our younger generation. So what is the solution?

Steve provides answers based on God’s truth and God’s plan for America and every citizen. As we study our nations founding birth and our Judeo Christian history from a biblical perspective we can better understand this plan and find our place in it. This book is a must read for every citizen who desires one truly free, prosperous United States of America, a nation whose hearts are turned back to God, the Constitution and the power is brought back to.... **“We the People”!**

I am honored that my husband asked me to write the forward to his first E-book. I know you will learn so much from this book and from the **Eagle Seminar - The 3 Pillars of Freedom**. And I promise you will enjoy getting to know Steve Sandoval, a true American Patriot!

*Annie Sandoval*

# Freedom Quest America

We are dedicated to educating Americans on the founding principles and values that birthed the greatest nation on earth! Grounded in the Declaration of Independence, the United States Constitution, and the Bill of Rights, these principles and ideas have been proven time and again in every generation of Americans. Our nation has grown and thrived for more than 237 years because of our founding principles of individual liberty, free enterprise, personal responsibility, and our traditional, patriotic family and faith values. However, our freedom, liberty, and patriotism have been eroding in the last 50 years. This is first due to a rejection to God's moral traditional standards, the lack of enforcing constitutional law, the over-reaching government, runaway spending, higher and more taxes, and the devastating regulations that kill business. In our first 200 years, Americans created more freedom, wealth, and prosperity around the world than that of all other countries combined. However, in the last 50 years, politicians along with our major institutions have turned their back on God, the Constitution, and the rule of law including the American people.

***The mission of and first goal of FQA*** is to inform and train up a new generation of educated, passionate patriots who will only vote in candidates who will honor their campaign promises and uphold their oath to the rule of law and the Constitution of the United States! It's time politicians, pastors, and business leaders unite to work and bring freedom loving patriots together, not as Republicans, Independents and Democrats, but as Americans who are true Patriots! We believe this can be done by bringing together the three most important and most influential groups of people in our country, CAPITALISTS, CONSERVATIVES and CHRISTIANS from all denominations.

1. **CAPITALISTS**: "Entrepreneurs"

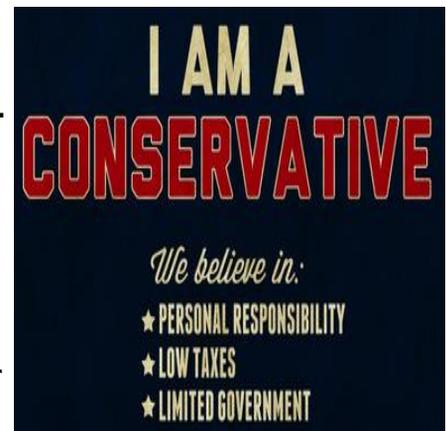

These are the traditional small business owners and the new younger high- tech, high-touch entrepreneurs who are changing the way business is now being done around the world! They are still the economic engine of America that makes us prosperous and keeps us FREE!

*"I place economy among the first and most important virtues, and public debt as the greatest of dangers to be feared. To preserve our independence, we must not let our rulers load us with perpetual debt. If we run into such debts, we must be taxed in our meat wasting the labor of the people, under the pretense of caring for them, they will be happy."* – Thomas Jefferson

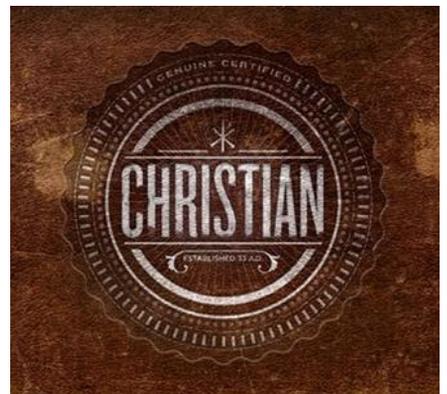

2. **CONSERVATIVES**: "Constitutional Conservatives"

These are Americans who understand the founding principles, laws and values written in the Declaration of Independence, the Constitution and the Bill of Rights. They realize that our rights, liberty and freedoms have been stripped away to the point that we now live in country that our founders would not even recognize. FQA believes these founding documents are even more relevant today than ever before. We do not need any more deceitful and greedy career politicians. No, what we need are statesmen who have honor and respect for the Constitution and our Patriotic American Values.

*"A primary object ...should be the education of our youth in the science of government. In a republic, what species of knowledge can equally be important? And what duty more pressing...than communicating to those who are to be the future guardians of liberties of the country?"*– George Washington

3. **CHRISTIANS**: These are the Americans who have had most of their freedoms stripped away and their values and faith denied, destroyed and mocked. Yet, these Americans, who should know better, are not engaged in our culture as citizens in the political process. There are three main reasons why this has happened. (1) False education and bad teaching from parents and educators. (2) False preaching and education from ignorant lazy pastors and Christian teachers. (3) Personal laziness, sin and compromise.

*It cannot be emphasized too strongly or too often that this great nation was founded, not by religionists, but by Christians; not by religions, but by the gospel of Jesus Christ! For this very reason people of other faiths have been afforded asylum, prosperity, and freedom of worship here.* – Patrick Henry

**The second goal of FQA** is to be the first place where busy, hardworking Americans can get their daily dose of news and information in just a few minutes, at least the news that drastically affects our lives, spiritually, economically and politically. This is one of the main reasons America is in such a mess! When good people do not engage in the political spiritual battle then guess who wins? The bad guys! Edwin Burk, said "evil can only prevail if good men do nothing". After investing years of research in following all the news sources, I have found the news organization you should go to first to get your NEWS is World Net Daily, wnd.com. They are the largest and fastest growing Internet news organization on the planet.

They have become the most credible respected news source in the world. Their success is based on old fashioned investigative reporting from unbiased, trained professional journalists who work for "We the People". Remember, the original purpose of the press is to protect the citizens and be the watch dog of the government to expose those crooked politicians who cross the line and go beyond their constitutional authority. Sign up for WND email updates and order their monthly publication "Whistle Blower". The WND resource store provides the best educational resources from DVD's, CD's and books.

**The third goal of FQA** is to build an online community of American Patriots who know the importance of building quality, trustworthy relationships with other FQA Patriots...friendships and business networks based on common shared values and needs. By using social media and special events around the country, we can build online and offline communities where patriots can buy, sell and barter with each other. We can help, encourage and pray for each other in times of trouble and need. In fact, my dream and hope is to see FQA members fellowship and worship together around the nation in monthly FQA Rallies! There was a time in America when new frontiers were being started as pioneers moved west to start a new life. A new family would move into a community, town or neighborhood and the people from the community would help build their home, bring food from their garden and let them know they were welcome and had friends they could count on. That is the America I want to live in and that is the America "We the People" must build once again! Millions of Americans want this again too and they are willing to invest and build that community again. The question is are you? God never intended man to be a lone island or a church to become a neighborhood niche church, or a business that just tries to make a profit. He created us for relationships and to serve each other and meet the needs of our families and community! Our founders and God never intended the government to care for the poor and needy through a government welfare program. Jesus intended His Church to do this work through tithing and giving. Our founders intended the family and community to do this through working. Not too many people should be needy! Paul commended the church;

*"Even while we were with you, we gave you this command: "Those unwilling to work will not get to eat. - 2 Thess. 3:10*

Many prophets and financial experts believe if conservatives do not engage, fight and protect the freedom and liberty we have left we will forever lose it and slide down to the same fate as empires such as the Persian, Greek and Roman Empires before us. I am encouraged daily as I wake up and pray for God to Save America with this one scripture and prayer promise. For just as Israel as a nation rejected God and chose to disobey Him and His commandments and standard choosing to go their own way, America has done the same for far too long. Only by God's grace, love and timetable has He not wiped us off the face of the earth. What is that prayer promise?

***"if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. 2 Chronicles 7:14***

# INTRODUCTION

One of my favorite movies is the 2004 movie *National Treasure* with actor Nicolas Cage who plays an historian and code-breaker Benjamin Franklin Gates.

Ben Gates has been searching his whole life for a rumored treasure dating back to the birth of the United States. The treasure hunt leads him to the Declaration of Independence and in the exciting search Ben discovers some spectacles (eye glasses) that were designed by good ole Benjamin Franklin himself to help see the next clue on the back of the Declaration of Independence document.

The glasses have two sets of glasses connected - one lens is colored **red** and one **blue**. When he combines the two by laying one on top of the other he can clearly see the clue that was hidden there all along within the document.

As you read this book, and hopefully join us on your own freedom quest journey, I want to take you through this journey with a new set of eye glasses giving you a different perspective that will help you see some clues and help you understand things maybe a little differently than before when it comes to understanding what is really going on in America today and where we might be headed as a nation and people.

I want to take you back to the founding of our nation, the year 1776, and share some of our past history up to present times with these new glasses.

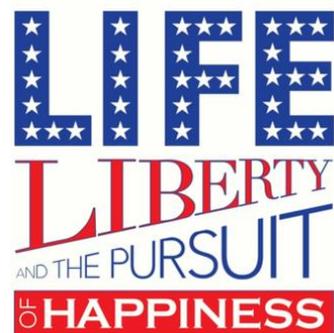

Imagine if you can, while you read this book, looking at life in today's America from God's perspective (His viewpoint) confirmed in the Bible and by using historical factual documentation from our Founding Fathers perspective, like Benjamin Franklin.

One set of spectacles is red which represents seeing things from God's point of view, a biblical viewpoint based on biblical history and scripture. The other set of spectacles is blue which represents seeing things from our Founding Fathers' point of view, let's call this a Patriot's viewpoint. Combine the two and you get the term Christian Patriot which I will use in my writing and teaching. My other hope is that I will be able to shed light in explaining why our nation is so divided- left vs right, Democrat vs Republican, red states vs blue states and what we as Christians can and should do about it.

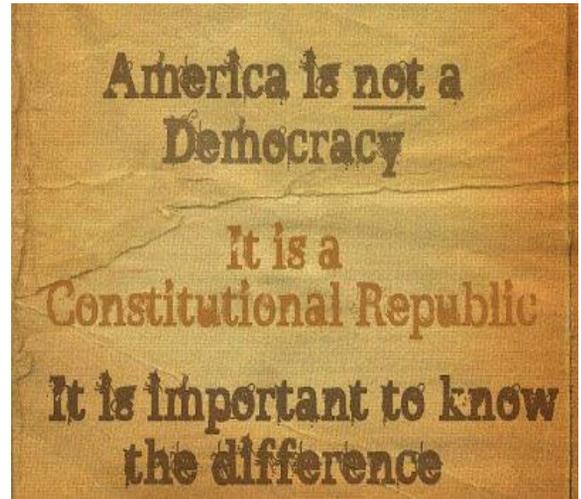

I believe that our Founding Fathers were all led by God and inspired by the Holy Spirit, just as all our heroes of faith were in the Bible. The early Founding Fathers were the puritans and pilgrims, from William Brewster, William Bradford, and John Winthrop to George Washington, who led us to victory in the Revolutionary War along with his buddies and fellow conspirers of liberty and freedom, Benjamin Franklin, John Adams and Thomas Jefferson. These men, along with 56 signers, gave us the Declaration of Independence and the greatest government document ever written by man, the Constitution of the United States of America, which gave us the greatest most blessed, free and prosperous nation and democracy in history.

It's important to mention upfront that you understand the truth that America is not a real democracy as we are taught in school. Our founders purposely avoided a pure democracy and you will learn why as we go along this freedom quest journey. America is the only Constitutional Representative Republic on earth and from our example we have been able to help create 123 free democracies in the world. However, none even come close to America in producing the results of life, liberty and prosperity for their citizens. And that's because none have been founded on those same basic Judeo Christian biblical principles.

About the time when our original thirteen States (colonies) adopted their new constitution in 1787, Alexander Tyler, a Scottish history professor at the University of Edinburgh, had this to say about the fall of the Athenian Republic some 2,000 years earlier:

*"A democracy is always temporary in nature; it simply cannot exist as a permanent form of government. A democracy will continue to exist up until the time that voters discover they can vote themselves generous gifts from the public treasury. From that moment on, the majority always vote for the candidates who promise the most benefits from the public treasury, with the result that every democracy will finally collapse due to loose fiscal policy, which is always followed by dictatorship."*

The average age of the world's greatest civilizations from the beginning of history has been about 200 years. During those 200 years, those nations always progressed through the following sequence: (as of July 4<sup>th</sup> 2018, America will be 242 years old)

1. **From bondage to spiritual faith** –1607 to 1773
2. **From spiritual faith to great courage** –1773 to 1850
3. **From courage to liberty** –1850 to 1900
4. **From liberty to abundance** – 1900 to 1955
5. **From abundance to complacency** –1955 to 1995
6. **From complacency to apathy** –1995 to 2008
7. **From apathy to dependence** – 2009 to 2016
8. **From dependence to bondage ?**

**God answered our prayers and sounded the TRUMPET!**

**In 2016 Donald Trump and Mike Pence were elected.**

**The "TrumPence" stopped the downfall. 2<sup>nd</sup> Chronicles 7:14**

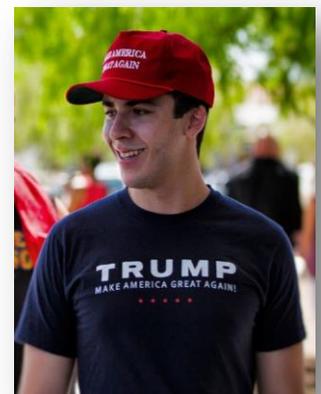

**Interesting Note:**

If Hillary would have been elected we would be heading in to #8, "dependence to bondage phase." Because of the prayers of millions of saints and the mercy of God Almighty, Donald J. Trump was elected President 45 of the United States of America in 2016. As of 2018, America is now 242 years old. The nation's county map of the territory Trump won was mostly the land owned by the hard working taxpaying citizens, the forgotten men and woman of this nation - the Christians, the Conservatives and the Capitalists (business owners). Hillary's territory mostly encompassed those citizens and illegal aliens living in government-owned tenements and living off various forms of government welfare. I believe the United States is now somewhere between the "apathy to dependence" phase because, as we know, at the end of the Obama Regime 49% of Americans did not pay any income tax and were receiving some form of welfare help. Today's definition of democracy now means 49% of the nation's population already having reached the "governmental dependency" phase. If Congress grants amnesty and citizenship to twenty million criminal invaders called illegal aliens and they vote, then say goodbye to the great USA!

**Election 2016: County-Level Results**

**Red is Republican & Blue is Democrat**

The purpose of this short E-book is to encourage people to join our mission and community and to use the resources from FreedomQuestAmerica.com (FQA) and sgsministries.com.

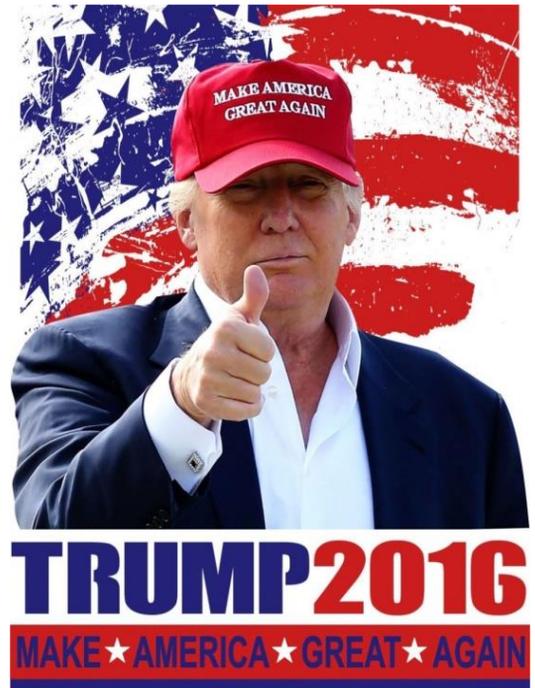

**Our plan and strategy is to:**

- (1) **Promote and UNITE** the body of Christ
- (2) **Prepare and WARN** God's people for what is coming
- (3) **Proclaim** the truth and teach Christians how to fight
- (4) **Preach** the Good News to the lost and hurting people
- (5) **Pray**, teach and encourage team prayer for America

This is called the **5 P-Ministry**. Just as John the Baptist was a voice in the wilderness sent by God to *Prepare ye the Way of the Lord*, so we all, as Christians, must become one voice uniting to once again proclaim boldly to the nations that we must "Prepare Ye the Way of the Lord" in these last days.

The election of Donald J. Trump in the 2016 election brought to the light many things that were hidden underneath and bubbling under the surface for a long time in our country. Serious issues and problems such as immigration, education, rise in crime, over spending, the economy and, most importantly, the loss of religious liberty! We as the church are the salt and light of the world. It's up to you and me, God's people, to "Make America Great Again" and this can only happen with God's help. It starts with God's justice, forgiveness and grace. This is the Good News, the gospel of Christ.

I will never forget what the Lord spoke to me when as I was watching the inauguration of President Obama in 2009. As clear as can be, the Spirit told me that this man was filled with the spirit of the antichrist and he will mislead and deceive millions of people in the years to come. This man will set into motion and unleash evil and destruction on earth as never seen before.

Keep in mind that this was before any of us knew of all the corruption and wickedness this man would bring upon not only America but the entire world. By his own words we were all warned, as just before the 2008 election he said, *"We are 5 days away from fundamentally transforming America"*. Guess what? He did try to transform it but America is a great nation and doesn't need to be transformed!

Still to this day most Americans have no clue just how much damage, corruption and destruction the Obama administration created. This is mainly because most people still get their news from ABC, CBS, NBC and CNN and they are being fed lies, slander and fake news! As Trump drains the swamp and continues to expose the corruption of the Obama Regime and the deep state we must pray and hope that God brings justice to all who believe they are above the law. For those of you who will join us on this Freedom Quest Journey, we will show you how to cut through all the distraction, the noise, the propaganda and **"Fake News"** out there. You can get in the know with the truth of what is really going on in our government and with collusion between the Democrats, the CNN Media and the globalist *one world agenda*.

The first place you should get your news is from [wnd.com](http://wnd.com) (WorldNetDaily.com). And if you want to make sure you keep things in the right perspective daily and stay informed, I recommend you join [Rush Limbaugh 24/7](http://RushLimbaugh24/7).

# CHAPTER 1 - My Story

*“Someday he would be called to become a modern-day Patriot and start a new American Revolution”.*

*<sup>6</sup> But if the watchman sees the sword coming and does not blow the trumpet, and the people are not warned, and the sword comes and takes any person from among them, he is taken away in his iniquity; but his blood I will require at the watchman’s hand. [Ezekiel 33:6](#) (NKJV)*

For this short e-Book sample, I decided to just share my biography story that is on my Freedom Quest America website. FQA’s main mission and goal is to train up a new generation of educated patriots who are passionate about restoring our liberty and freedom by engaging in the battle of politics, ministry and business and developing a plan to first get financially free. However, I have to be honest and tell you up front that my greatest desire and number one passion is to see every man, woman and child saved and restored back in relationship with Father God.

Of course the Bible says that this can only happen through salvation in Christ Jesus. Jesus said, in [John 14:6](#), (KJV) - *Jesus saith, unto him, **I am the way, the truth, and the life: no man cometh unto the Father, but by me.***

Someday, I do plan to write a book on my life because I have really been able to live an extraordinary life! I want to share my testimony on how I became a disciple of Jesus Christ and how He has used me to minister his love, truth and healing power to thousands of people. I want to share my life experiences and my personal walk with my Lord and Savior Jesus Christ. I believe my story will inspire and encourage many of you to not give up on your God-given dreams, not to give up on your marriage, not to give up praying and working on your children and loved ones coming back home to Jesus, and not to give up on healing for your chronic pain, depression or illness. I know this pain and struggle from personal experience and it is these tough times that God will call us to reach out and help others in the same struggle.

Never give up on God's promise to restore back to you what the enemy has stolen from you. Never give up on your dream to be financially free and totally out of debt so that you can be a greater blessing to others!

If you are a Christian, I hope you get one thing from my book and teaching and that is we serve such a "Great and Amazing GOOD GOD"! It says in Jerimiah 29:11 (NET)

*"For I know what I have planned for you", says the LORD. "I have plans to prosper you, not to harm you. I have plans to give you a future filled with hope."*

**GOD HAS BIG  
PLANS FOR ME!**

This is the foundation of our ministry, to see all God's people fulfill their God-given purpose and to start living and working towards the dreams and desires that God placed in their heart. Freedom Quest America and sgsministries work hand in hand. I have often said that my ministry is my business and my business is my ministry and I am on a mission from God, just like the "Blues Brothers." ☺ lol And it's ok to laugh at yourself and have fun with others!

### **Who is SGS? Steve G. Sandoval**

Steve is an entrepreneur, educator, minister, mentor and coach. For more than 45 years now he has taken every opportunity to work on many great business and ministry projects. Steve's introduction to business started when he was just 9 years old as he started his first paper route and he quickly figured how to earn extra tips, candy and cookies! Three months later, he took over his best friend's paper route to make even more money. At age 10, he also started getting up at 5:00 AM every morning, six days a week, to ride his bike across town up hill (just kidding) to clean his dad's business "Mack's Pool Hall" for the new day's business. (For the record, his dad's name is really Edward).

Since then, it seemed Steve always had two or three jobs, whether he was washing dishes, waiting tables, painting houses or pouring cement. Eventually, he learned he could make even more money hustling adults in billiards and on the local 9-hole golf course.

He realized at an early age that if you are willing to learn a skill or job and practice until you are your very best, then there will always be money to be made or someone to hire you. Steve took pride in working harder, better and faster than anyone else.

He became a master negotiator as a teenager and he learned that hard work was really a gift given by God for those who wanted a better life and a way to help more people!

At age 18, right after becoming a born again Christian and graduating from high school, God decided that young Steve needed discipline and structure in his life before He could teach him anything else. What better way than the military? So God directed Steve to answer the call to serve his country and follow in his family's footsteps by enlisting in the USAF, even walking away from playing college golf.

For the first time he felt and knew the hand of God was leading him to make a major decision that would be going against the advice of everyone else! Of course everyone said he should go to college to succeed in life. Most of his Christian friends and elders thought he should go to Bible school and become a pastor. However, Steve felt led and decided to obey what the Spirit of God was leading him to do. This is where he learned a valuable lesson at an early age "God's ways are not man's ways".

He soon learned that most people follow the crowd or listen to others who have their own agendas and good intentions. God is calling each one of us for His purpose and many times it is in the opposite direction and in this case it certainly was for Steve. He was proud to honor the family heritage by serving his country in the military like all his uncles, granddads, and father before him.

This would be the beginning of God leading him in his education, learning about discipline, patience, hard work, courage, loyalty, honor, duty and love for God and America.

EXCELLENCE  
IS NOT A  
SKILL.  
IT IS AN  
ATTITUDE.

~RALPH MARSTON

Although he started taking classes at the local university, Steve learned that by trusting the Holy Spirit to lead him in his education he could learn faster and much more and not get led down man's limited humanistic idea of education. He was led by the Holy Spirit to grow in God's biblical wisdom, His truth and ways that God designed specifically for him. His burning passion and desire to learn was about freedom and what that meant from God's perspective, not man's.

Although God used many great people in his life to train and educate him along his journey, Steve felt totally devoted first to the strong leading from the most qualified educator, counselor and mentor there is and that is the "Holy Spirit". During his tour in the USAF, Steve served his local church and community helping build the children's and youth ministries, and then the music department where he produced, directed and performed in children's and family musicals. He also was strategically involved in building the first low powered Christian TV 63 station in America where he produced programs and worked in the control room every morning airing TV programs.

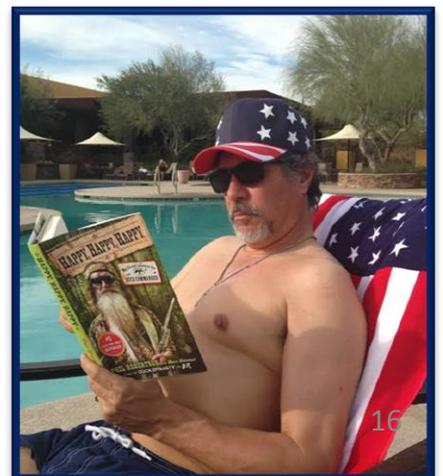

After two years of military tech school and one year of college pursuing a degree to teach history and coach basketball and golf, Steve started to pursue business ventures with fellow church members. He joined a Christian business group and was mentored by entrepreneurs including his pastor and other business leaders.

This eventually led him to become a lifelong passionate student of business, politics and eventually a full time entrepreneur starting businesses and helping others with their new ventures. He was taught that the key to building wealth was doing it God's way from God's perspective, staying debt free and not depending on the government or anyone else. Part of being morally responsible is being responsible in all financial matters.

*Man says... Show me  
and I'll trust you.*

*God says... Trust me  
and I'll show you.*

His first ventures did not make much money in the beginning and those who did not have a business mindset or a dream would look at him as failing in business. However, to Steve, this was just part of the learning process knowing that every tough and even painful business experience was an just an education in itself to learn valuable lessons about business and learning to trust in God's goodness, provision and blessing! In the process he knew that God was leading him into a greater and bigger vision and purpose for the future.

He learned early in life how politics worked and how money affects and mostly limits every single person's life. He learned how big government and politicians gradually enslave and keep most people in bondage for their entire life. Sadly, they miss out on God's best, including living more freely and missing their God-given purpose. These lessons would serve him well and over time allow him to live an incredibly blessed, abundant and adventurous life of freedom and meet hundreds of amazing people who loved God and America just as he did.

By faith, sacrifice and obedience, Steve trusted God to guide his steps that led him on his unique adventurous journey that would call him one day to become a bold vocal modern day patriot, a Christian Soldier in the Kingdom of God and *Champion for Free Enterprise!*

His passion and convictions are grounded on God's justice, mercy, grace and knowing that only God's plan leads to the process of setting people free spiritually, emotionally, physically and financially!

Some day he would be called upon to sound the alarm and wake up Christians! To help unite his fellow American citizens and encourage all Christians to engage in the political spiritual battle by educating themselves to wisely choose their representatives and start supporting and voting fellow Christian patriots and statesmen into office who once again would honor God and uphold the Constitution. We must teach and train the next generation of freedom loving patriots who will come together to start the next American Revolution and Revival. This goes back to the final words Christ gave to his disciples before going back to be with the Father. This is best known as the *Great Commission*:

***<sup>19</sup> Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, <sup>20</sup> and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matthew 28:19-20 (NIV)***

This revolution will not be fought and won with guns and bullets, but by prayer, sacrifice and hard work and by turning our hearts back to God for His guidance, protection and strategy.

America has never been so divided and we are most certainly at a crossroads. The next 2-3 elections will determine whether we, as Americans, will continue down the road to socialism, moral decay and bankruptcy. Or will we turn this sinking ship around and get back on the road to recovery and what our founders gave us in terms of *"life, liberty and moral responsibility,"* where all Americans can once again have Life, Liberty and pursue their own happiness.

For the last 5 years Steve has been busy traveling, doing research and study, interviewing and observing business owners, politicians, pastors and Christians leaders in churches across the country.

Steve is the author of the new educational series, Eagle Seminar - "The 3 Pillars of Freedom". This is a brand new training program created for two reasons:

1. To teach, train and empower all Americans, young and old, to learn more about the founding of their great nation and to learn the true history of our Judeo Christian foundation.
2. To prepare and provide a plan and strategy for constitutional conservative patriots to unite in working together to take back America to God, the Constitution and back to "We the People".

Steve is the Founder and President of Freedom Quest America and SGS Ministries. Steve is married to Annie. They live in Phoenix, Arizona and between both of them have 7 children – Stephen, Nicholas, Danny, Michael, Joseph, Sarah and Jacob. And, of course, we can't forget our little Barkley!

**SGSMINISTRIES.COM**

## CHAPTER 2

### Why Are We Here and What Is My Purpose?

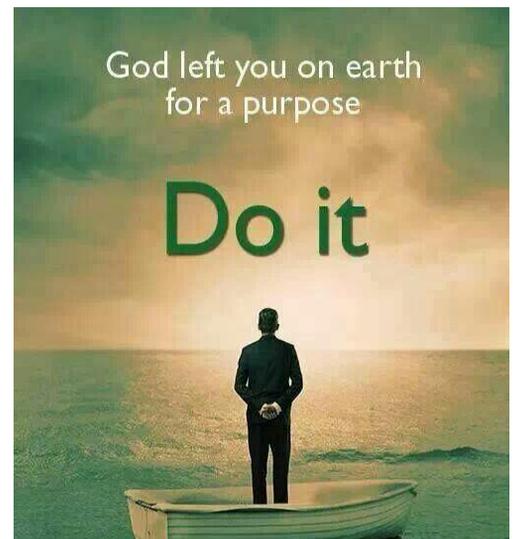

**It's time to get off the pleasure cruise ship and get on the battleship!**

*12 I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. 2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is good and acceptable and perfect will of God. Romans 12:1-3*

Based on scripture, there are basically three reasons why we have been created by God. The first reason is that He created us to have fellowship with Him. In fact, the most intimate relationship we should develop is with our Father in Heaven. This can only happen by first accepting the free gift of Salvation through Christ Jesus. It all starts with learning about the life of Christ from the gospels. We can then start to develop a relationship with our Savior Jesus.

The second reason we have been created is to fulfill our God-given purpose. Even before the foundation of the world, God was already preparing His plan for you. God has a plan for each one of us. This plan includes being His messenger on earth to proclaim the Gospel to all mankind. The only Jesus that people experience is through other Christians who reach out in His love and truth. Jesus shows himself through our love and service to others.

In the process, this leads us to the third and final reason we were created and that is to bring glory and honor to God through our witness, our testimony and by living out the abundant life that God provided and promised us. This is all possible because of the sacrifice of the Cross. Remember it only took Jesus 3 days to get arrested, get convicted, get crucified, and then get resurrected from the grave. However, Jesus intentionally invested 3 ½ years living as man here on earth with His disciples to show them how to build His new kingdom.

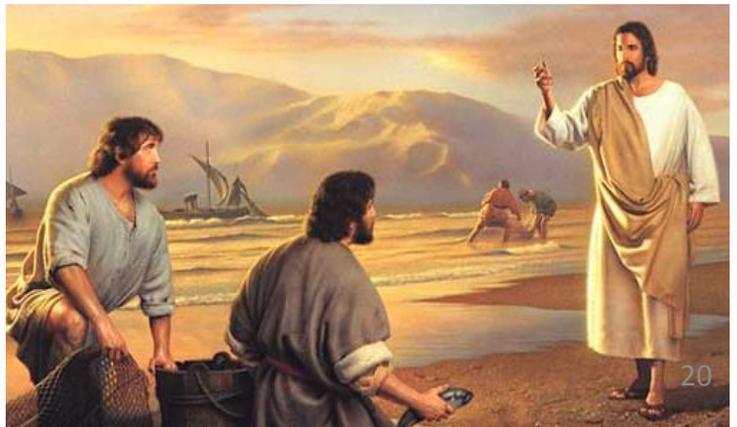

I find it fascinating that Jesus, the master teacher, took the same amount of time that it takes to earn a college degree to train and mentor His 12 disciples. I believe one of the main reasons there are four gospels is that God intended to make sure we had a very good idea how to live out the life of a disciple of Christ from different perspectives. Matthew tells us that we are to take up our own cross. Then Jesus told his disciples, *“If anyone would come after me, let him deny himself and take up his cross and follow me. For whoever would save his life will lose it, but whoever loses his life for my sake will find it. For what will it profit a man if he gains the whole world and forfeits his soul? Or what shall a man give in return for his soul?”* - Matthew 16:24-26 (ESV)

Another amazing thing that Jesus did is how he actually started and grew his team. <sup>18</sup> *And Jesus, walking by the Sea of Galilee, saw two brethren, Simon called Peter and Andrew his brother, casting a net into the sea; for they were fishing.* <sup>19</sup> *And He said unto them, “Follow Me, and I will make you fishers of men.”* <sup>20</sup> *And they straightway left their nets and followed Him.* <sup>21</sup> *And going on from thence He saw two other brethren, James the son of Zebedee and John his brother, in a boat with Zebedee their father, mending their nets. And He called them,* <sup>22</sup> *and they immediately left the boat and their father, and followed Him.* Matthew 4:18-22.

I want to point out two things here. First He started with 2 people at a time. Secondly, they happen to be fishermen. He simply said *“follow me and I will make you fishers of men”*. He then said the same to James and John and they too immediately just followed Him. He didn't preach a sermon, do a Zoom presentation or even run a commercial. As a soul winner for Christ, I know that it's the Holy Spirit who directs me to the people who God has already been preparing for me to share the gospel, a teaching message or just a time to counsel or pray. Now I am working and believing that God has been preparing Christian Patriots all over the country to work together to unite.

**“to take back  
America  
to God, the  
Constitution  
and back to  
“We the People.”**

Jesus was actually teaching us by His living example! He was literally giving us the pattern and the secret in how to live life and build a team which became the beginning of the body of Christ, the first Christians on earth. He confirmed this when he told His disciples that we would be able to do even bigger and greater things than they saw Him doing. The reason that this is possible is because when we become born-again, God gives us His nature and fills us with His Spirit. Not only are we born in God's image, but He literally has given us His DNA. This includes having the mind of Christ. We can actually learn to walk, talk, live and think like Christ does! That's right we can have His thoughts, His intelligence and ability to govern our own lives according to His perfect will.

*Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect. Romans 12:2 states*

*For who has known or understood the mind (the counsels and purposes) of the Lord so as to guide and instruct Him and give Him knowledge? But we have the mind of Christ (the Messiah) and do hold the thoughts (feelings and purposes) of His heart.*

1 Corinthian 2:16 AMPC

When I first learned this, it blew me away as I got the revelation of this promise and truth. I think this is maybe one of the most important things Jesus teaches us. That's why we can walk in confidence as God requires us to live this amazing life by faith and not by sight. God designed it so that we must work together - making new friends, learning how to build relationships, iron sharpening iron. This is what brings confidence and it comes in time as we mature in our faith and grow in our knowledge of the scriptures. This is what He meant by telling us that He came to give us an abundant life! We can live day by day growing and learning how to live out a successful life based on the dreams and goals we aspire to. But I believe Jesus intended us to do exactly what he did in terms of building a team. Jesus said, that if we would ...

***"Seek ye first His kingdom He would give us the desires of our hearts"*** Matthew 6:33.

His kingdom is people and the church is people, not a building that we visit once a week. There is a difference between church work and God's kingdom work. God wants and desires us to go beyond the four walls of the church. He wants us to grow out of our comfort zone, working and building relationships with people that may be difficult to work with and are not like us!

Sadly, most Christians never get the revelation and understanding of this concept and strategy. I just don't think it has been taught and emphasized in the church. We all should be missionaries in our community and work place. I understand this is not really taught from most pulpits and it can be very difficult to do as most of us live most of the time by sight and in the flesh. Most now live by their feelings and emotions and not by faith and live according to our own will, desires and agenda, not God's!

The key to all of this is walking in humility and obedience to God's will for our life and living out our life in God's word and wisdom. In order to accomplish living this amazing life, we must first become a student of the Bible. 2nd Timothy 3:16-17 -tells us that; ***All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.***

Finally, Jesus knew that if we would follow His strategy and pattern in building the church 2 by 2 and invest time in mentoring and building disciples and new leaders, we all would benefit and learn from each other as we are living out this life together as the body of Christ. Scripture makes it clear that God has given us all the ability to live a blessed, abundant and prosperous life if we choose to take up our cross as God requires of us. Our government teaches its citizens to look to them rather than take personal responsibility. To a certain degree many church leaders have done the same with their members. The fact is, God is wanting us to be more personally responsible for our own personal growth and to become mature in our faith and to become ministers of the gospel. I believe that each of us are responsible to reach our family, our neighbors and the people we work with. Basically, this is our first mission field and our ministry!

***For this is our God –Given Purpose here on earth!***

***Bottom line!*** - at the minimum we should be always be sharing and looking for our next 2! That is the mission field God has given each one of us. We are to cast our net daily and go fishing for men and women two at a time! *Then we can talk about feeding the sheep.* 22

I know many Christians and certain religions have been taught the opposite, that God has only chosen certain people to be the leaders, teachers and ministers of the gospel. Yes, there is the office and the gifts that Jesus gave the church, apostles, prophets, evangelists, pastors and teachers, but this only represents about 3% of the church. What about everyone else? I think this is where the biggest failure has been found especially in the American church. This is why we have lost the culture war. This is why we have lost the influence in every major institution that once was Christian, moral and godly. This has led to so many immature Christians who do not know God's word and truth. So many believe that God chooses losers and winners - some get blessed and some are cursed, some get healed and some stay sick and die early. But scripture does not bear this out and God is not a respecter of persons. Yes, love and faith is the start, but it comes down to what we know and walking in obedience in our own personal walk and relationship with our Savior and Lord Christ Jesus. Hosea 4:6 tells us we perish for a lack of knowledge.

For those of us who are blessed to live in America, I believe we have an even greater responsibility to do even more and to believe for more in the kingdom of God! We have been so blessed with more freedom, opportunity and prosperity to reach so many people in these last days. Never before has technology made it so easy to communicate, educate and unite people in the body of Christ. However, because of the spirit of division with religion, doctrine, arrogant pride and selfish desires, I think many of our brothers and sisters and fellow citizens will miss out on a tremendous opportunity and blessing from God.

That's what our mission is all about. To sound the alarm and wake up the church and to now take back America - back to God, back to the Constitution and back to "We the People". We now have everything in place to start a new American Revolution and Revival! This revolution will be a revival in the body of Christ empowered by the Holy Spirit.

*"And in the last days it shall be, God declares, that I will pour out my Spirit on all flesh, and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams; Acts 2:17*

## CHAPTER 3

### Religion/Relationship - God's Plan vs Man's Plan

*12 I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. 2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God. Romans 12:1-3*

It is important to know the difference between "religion" and "relationship" and how they affect the way we live our life with or without God.

Religion is a "set of beliefs usually involving devotional and ritual observances, and often containing a moral code governing the conduct of human affairs" and relationship is the "state of being connected or related to".

~~Rules~~  
Relationship  
~~Religion~~

Man's plan and way to God is through religion (rituals) but God's plan and way to man is through a relationship (being connected) to and with Jesus. It's all about a personal intimate relationship with Him. This starts at the Cross of salvation! That is where Jesus paid the price for our sins. With that sacrifice, His blood saved us from hell giving us a ticket to eternity with our Father God in heaven. It also secured us for His purpose and His promise for our life here on earth now!

Religion is man's idea and doctrine of what brings him happiness and peace. But they all seem to come up short on the most important commandment. <sup>34</sup> "A new command I give you: Love one another. As I have loved you, so you must love one another. <sup>35</sup> By this everyone will know that you are my disciples, if you love one another."  
John 13:34-35 (NIV)

This is why so many people outright reject the word of God. It gets in their way and it becomes a stumbling block. The Bible says Christ is that stumbling block. This is why you see people on the left, politicians, comedians, news anchors, actors, professors and pastors from mainline denominations constantly mocking God and those who profess to be Christian followers. Those who are the most judgmental of others warning of heresy are usually those who are not born again.

The Bible says in the book of Proverbs that God's ways are higher than man's ways and man's ways lead to death and God's ways to leads to life. These four verses from Proverbs explain what God says concerning those who are wise and those who are fools.

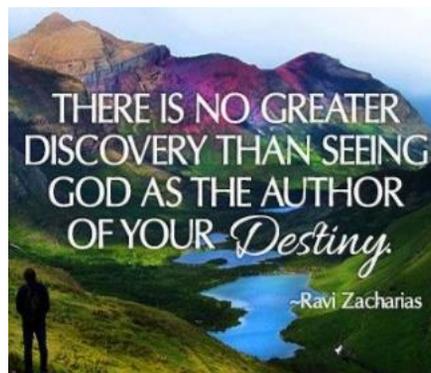

- *The fear of the Lord is the beginning of knowledge, but fools despise wisdom and instruction.* ~Proverbs 1:7
- *Do not speak to fools, for they will scorn your prudent words.* ~Proverbs 23:9
- *Mockers resent correction, so they avoid the wise.* ~Proverbs 15:12
- *Let the wise listen and add to their learning, and let the discerning get guidance.* ~Proverbs 1:5

God's plan is for each of us is to be restored back to Him, and to live our life by faith in Christ Jesus and by His teachings in the Bible. Although our final destination as a Christian is heaven, living forever with our Father, God also desires us to live an exciting and fulfilling life here on earth with purpose. When He created and formed us in the womb, He had a purpose in mind for us.

This is why God gives us dreams and plants desires in our hearts. Sadly, so many children are not taught this when growing up so they settle for what the world tells them.

87% of what we see and hear is negative. So, guess how most people think and act out? Yes, NEGATIVE!

Because of sin, man is separated from God. He is left to survive and create his own plan and be his own god, which is basically living life in his own strength and with limited knowledge outside of God, believing in some type of humanistic Utopia. This leads to socialism ideology. So it makes sense why so many fall prey to the socialist message and depend on the idea that government is our solution for everything. I say it this way, people either believe and look to the **little g** (government) to solve their problems or they believe in and look to the **Big G (God)** to help them solve problems.

**GOD** or **government**

In a nut shell, this defines the division in America right now. A person who is a liberal in America believes the government should take care of them and one who is a conservative believes in personal responsibility and limited government and they tend to look to God through prayer and teaching. As President Regan famously said, "More government is not the solution, that is the problem".

## **THERE ARE TWO ANSWERS TO EVERY QUESTION!**

There is what man thinks about a question, issue or subject and what God says about a question, issue or subject. Never in America has there been such a distinction between the two sides – "the two Americas". After 8 years of the Obama Regime, America has never been left more divided and broken in our history. This nation's government is morally and financially bankrupt and every single department, including both houses, is filled with too many corrupt, perverse, greedy and power-hungry people running their agencies like the rulers of Sodom and Gomorrah and Chicago and New York.

Now here is the clicker! The leaders of one party, the Democrats, think this is great and the way it should be, with bigger and more government, which means more and higher taxes! Leaders of the other party, the Republicans are just happy to be elected to office. So many are Rino's (Republican In Name Only) they are there for a huge pay check, a great retirement package and lots of parties with people who have too much power and control over other peoples lives!

***"power corrupts, absolute power corrupts absolutely"***

I have often said, the longer a conservative politician stays in Washington, the more they will compromise their principles to the point of becoming corrupt. This is why we must have term limits. This would do more than anything else I can think of in ending most of the corruption in DC. By the way you need to sign the petition to reign in our federal government. This is our last chance to reign in our politicians, first with term limits, require a balance budget every year and ensure responsible fiscal and limited government. Please go to;

[www.conventionofthestates.com](http://www.conventionofthestates.com) to sign up.

Our founders never intended the people's representatives to become lifelong professional politicians (with the best retirement package known to man). Think about this – what if a congress seat had only two terms of four years and a senator had one term of 6 years with no retirement plan! The only people who would run for these positions would be those who are successful business people who know how to balance a budget, cut spending and trim the fat off unnecessary programs. "People who had the fruit on the tree." They would get the job done then get back to their family and business full time. The only way we can fix our government is by sending better principled candidates to govern, those who are qualified morally and have success in business. I believe Donald Trump is proving that as we speak.

**Our founders made it clear that those who should lead us in politics and government affairs should be Christians who are successful. The reason was obvious to them.**

John Adams said, ***"Our Constitution was made only for a moral and religious people, and it is inadequate for any other"***.

We are all made up of three parts, body, soul and spirit. The body is the flesh, the soul is our mind, will and emotions and the Spirit will be filled by either the devil or by God. For those who reject God's free gift of salvation, they will be led by the antichrist spirit of the world and the devil's demonic spirits. They also open themselves to Satan's attack on their life. Eventually many become tormented and controlled by demons and this is why we see so much evil, hate, sickness and poverty in the world today. This is why we see so much evil and craziness going on from people on the left (the Democrat Party). They have literally become unhinged mentally unstable (crazy) with the election of president Trump. Talk about great Reality Trump TV!

**Galatians 5:19-21** tells us about those who live in the flesh.

*"Now the works of the flesh are evident; sexual immortality, impurity, sensuality, idolatry, sorcery, enmity, strife, jealousy, fits of anger, rivalries, dissensions, divisions, envy, drunkenness, orgies and things like these".*

Yes, I just described 95% of Congress. America's best and most brightest leaders right? WRONG! These people we vote into congress should make us all sick to our stomach and quake in our boots!

This is why our founders said it was important to elect Christians who are committed to God's word and who understand that their role is to uphold the Constitution. These are people who walk in the fruit of the spirit of God and live a moral servant life.

Once you step into a position of authority or even a profession like a teacher, doctor, attorney, or businessman, you and I are held to a much higher standard of judgment because we are dealing with other people's lives and with moral issues.

In many cases we are dealing with life and death. An issue such as taxes is a moral issue because you are basically taking money away (stealing) from people's hard work effort. Politicians use the government as the best excuse to steal from its citizens to give to others who did not earn it in order to get their vote. We just saw 100% of Democrats not want to give even a small tax cut to their citizens! Think about that! Other examples are illegal immigration and the 1<sup>st</sup> and 2<sup>nd</sup> Amendments, but probably the greatest example is abortion murder. We justify this one by saying it a woman's choice?

The first word in our preamble of the Declaration of Independence and the first of three unalienable rights we have is **"LIFE"** If these politicians can't understand the basic concept of protecting the most precious and most innocent amongst us, a baby in a mother's womb, then how can you trust them with anything else? In fact, you can't! This is pure insanity! And the Democrats say they are the party of compassion. They are the enlightened smart ones in America? Do you see why the Bible says that in the last days that things that are evil will be called good and things that are good will be called evil? Everything is upside down, backwards and crazy! I sometimes joke and say we are living in a real modern day "Twilight Zone" that never ends! But no we are not, this is all really happening! *The Bible calls this the last days!*

The plan with Freedom Quest America is to help honest common sense Christians, Conservatives and Capitalists understand that it is time we start fighting back and working together. Success in politics comes down to turning out the vote. And it's not enough to just vote Republican anymore because we have too many of them acting and voting like Liberals, Democrats and Socialists. They have become better known as Rino's...

**Republican In Name Only** and they do not represent:

## We the People

To summarize, the condition of our heart determines our relationship with God. This, in turn, determines our values, and how we live our lives, and how we relate and treat others. Do we believe in the rule of law or not? As citizens each of us have the power to choose who we want to lead our country and represent us in government. I believe we have a very small window and opportunity to take back America, back to God, the Constitution and back to.. "We the People." In fact, if you start to put the prophetic puzzle pieces together, I believe that this may be our last chance for revival in America before Jesus comes back and maybe the last chance for each of us to plant our flag and decide what kind of life and reward we will have and experience in Heaven.

### **Here is another reason I am sounding the ALARM!**

*<sup>6</sup> But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. <sup>7</sup> So thou, O son of man, I have set thee a watchman unto the house of Israel; therefore thou shalt hear the word at my mouth, and warn them from me. <sup>8</sup> When I say unto the wicked, O wicked man, thou shalt surely die; if thou dost not speak to warn the wicked from his way, that wicked man shall die in his iniquity; but his blood will I require at thine and <sup>9</sup> Nevertheless, if thou warn the wicked of his way to turn from it; if he do not turn from his way, he shall die in his iniquity; but thou hast delivered thy soul.*

Ezekiel 33:6-9 (KJV)

# CHAPTER 4

## Condition of Your Heart = Condition of Your Life

*<sup>2</sup> A wise man's heart inclines him to the right, but a fool's heart to the left. Even when the fool walks on the road, he lacks sense, and he says to everyone that he is a fool. - Ecclesiastes 10:2-3 (ESV)*

When I read this scripture it confirms to me two things. First that God is obvious with us and has a great sense of humor and secondly, that our founders were genius when they created the two party system. One group would lean towards God's wisdom and the other toward man's wisdom where the fools congregate and, yes, that is to the left! Even scripture confirms this! lol 😂

The condition of our heart determines if we will receive and live by God's truth in our life. Jesus taught in the "Parable of the Sower", the condition of the soil is an analogy for the condition of one's heart.

### **Matthew 13 (NIV) The Parable of the Sower**

***1** That same day Jesus went out of the house and sat by the lake. **2** Such large crowds gathered around him that he got into a boat and sat in it, while all the people stood on the shore. **3** Then he told them many things in parables, saying: "A farmer went out to sow his seed. **4** As he was scattering the seed, some fell along the path, and the birds came and ate it up. **5** Some fell on rocky places, where there was not much soil. It sprang up quickly, because the soil was shallow. **6** But when the sun came up, the plants were scorched, and they withered because they had no root. **7** Other seed fell among thorns, which grew up and choked the plants. **8** Still other seed fell on good soil, where it produced a crop—a hundred, sixty or thirty times what was sown. **9** Whoever has ears, let them hear."*

### **18 Listen then to what the parable of the sower means...**

***19** When anyone hears the message about the kingdom and does not understand it, the evil one comes and snatches away what was sown in their heart. This is the seed sown along the path. **20** The seed falling on rocky ground refers to someone who hears the word and at once receives it with joy. **21** But since they have no root, they last only a short time. When trouble or persecution comes because of the word, they quickly fall away. **22** The seed falling among the thorns refers to someone who hears the word, but the worries of this life and the deceitfulness of wealth choke the word, making it unfruitful. **23** But the seed falling on good soil refers to someone who hears the word and understands it. This is the one who produces a crop, yielding a hundred, sixty or thirty times what was sown."*

The seed that falls on the **path** is the person whose heart is turned to the world and so it's easy for the devil to snatch away the word because the soil (the heart) is no good. If they are a Christian, they are a lukewarm Christian. When a person's heart is in this condition, they can't understand what God is saying in the Bible and they struggle with distractions from the world and the enemy. Truth is snatched away!

The seed that falls on the **rocky soil** is a person whose heart gets excited about what they hear. Because they have no root or a relationship with God and a desire to study His word, when they get challenged about what they believe or get persecuted, they will quickly fall away.

I believe this is where many Christians are really struggling today, especially the younger generation. So many teachers and pastors are not teaching the whole truth. They are just teaching the positive side of the gospel with an emphasis only on grace, love and tolerance for the sinner's sin. They neglect that this grace comes from God's justice and holiness first! This is not the full gospel and that is not the complete truth. The result of this kind of teaching is that many Christians are falling away from the faith and are not able to be used in God's plan. These Christians are described as lukewarm in the book of Revelation and they never become mature in their faith.

The seed that falls amongst the **thorns** is the person whose heart lives in an attitude of worry instead of faith, especially concerning money. If Satan cannot keep a person from getting saved then he will work on keeping them ignorant and struggling in their finances.

The seed that falls on the **good soil** is the person whose heart is right and true with God. These people are walking in humility and obedience with God with the desire to grow and mature in their faith and relationship with Jesus. They look to Jesus not only as a Savior but as their Lord and King! God can now use them and trust them with other people's lives. So they produce fruit 30, 60 even 100 fold. That's even better than Trump's stock market earnings! And this can happen in every area of our lives!

**"YOUR WORD IS TRUTH"**  
- JOHN 17 : 17

These are the ones who receive the desires of their heart and accomplish their hopes, dreams in life. I'm talking about healthy relationships and success in their work and finances and it does not happen by accident. It happens because first they stepped out on faith, they sacrificed and worked hard. Secondly, they have walked humbly and in obedience to Christ and they have studied and practiced to show themselves approved by God by studying and living out God's Word. And this is what makes and keeps our heart looking towards our God - "*Good Soil*". It says in 2 Timothy 2:15 (KJV)  
*15 Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.*

God has called each of us as ministers and leaders in our families and communities. Sadly, most Christians do not live this reality. As we mature and grow and show ourselves faithful, God will expand our influence in our service to others. I teach and strongly believe that we as Americans have purposely been extra blessed with opportunity, freedom and liberty beyond all other nations! And because of this we have an even greater responsibility to serve others and to reach more people for the kingdom of God during our short time on earth. I believe this younger generation has been given more than any other before them. The question is will they rise to the spirit of duty, honor and a biblical personal and moral responsibility? Right now that doesn't seem to be the case. The majority of them (75%), as we just witnessed in the 2016 election, believe socialism is more superior and better than capitalism. They believe that "*separation of church and state*" is the law of the land and the Constitution must change with societies sinful lifestyle. They are the most unchurched and most ungodly generation in America's history. So this should be our #1 mission field, Millennials.

**The Lord wants and desires to expand our influence and ministry (service) to others and I believe He wants us to do it in three arenas:**

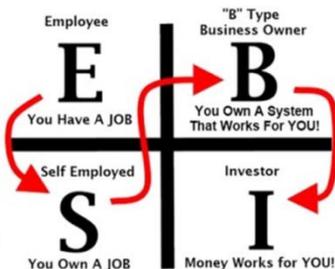

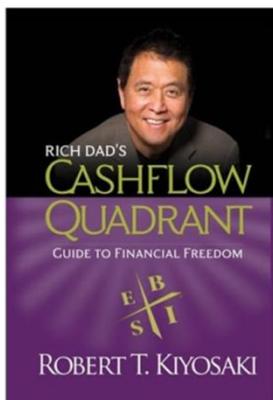

- (1) The Church Arena - winning the lost to Christ and serving others**
- (2) The Political Arena - engage in the political battle we are in**
- (3) The Business Arena - learn how to get financially free and become a greater blessing to others and take care of our family!**

The most powerful way the enemy enslaves people and keeps them in bondage, including most Christians, is by keeping them broke and struggling in debt! We perish for a lack of knowledge and vision! Most are ignorant of how to earn, save and invest money. There is God's way to make money (create wealth) and there is man's way, (to get rich) the way of the world. At least 8 out of 10 Christians have settled for man's way or they have just settled for mediocrity which leads to living pay check to pay check and in bondage to the "Financial Matrix".

This always leads to more debt and frustration, anger and envy of others. And this always leads to Socialism, which is why Socialism is becoming so popular in America especially with our younger generations. Polls show that 67 to 75% of millennials and Gen Xers prefer Socialism over Capitalism! If you have the wrong information or thoughts about God and money, then your efforts and work will be choked by the thorns of life and you will be unfruitful both spiritually and financially!

Even the church and many Christians have settled for 2<sup>nd</sup> class teaching on biblical economics. I am so excited to introduce a better, cutting-edge teaching on breaking the curse of poverty and bondage over so many people's lives with a program called **Financial Fitness**. This program teaches three things: (1) how to get out of debt and stay out of debt (2) how to make more income constantly (3) how to keep more of your money and save on taxes. This is the first comprehensive program teaching all the rules of the game of living a healthy, wealthy and prosperous life, learning *OFFENSE* and *DEFENSE*, and how to become financially free! It starts with teaching people how to break out of the Financial Matrix, become totally debt free, and in the process find their God-given purpose! This is the foundational teaching of FQA & SGS Ministries. ***But divide your investments among many places, for you do not know what risks might lie ahead.*** Ecclesiastes 11:2 NIV

# CHAPTER 5

## You, I and God are A Majority with Authority!

*<sup>12</sup> Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father. <sup>13</sup> And I will do whatever you ask in my name, so that the Father may be glorified in the Son. <sup>14</sup> You may ask me for anything in my name, and I will do it. John 14:12-14 (NIV)*

God gave us His APD and GPS to help guide us and to help us succeed in life. APD stands for **Authority Power and Dominion** and GPS stands for **God's Protection System**. How many Christians do you know who understand and walk as joint heirs of Jesus Christ, walking in His authority, power and dominion? 10% maybe 15%? Our GPS is the Holy Spirit. If you are born-again and walking in the obedience with Christ, you have the Holy Spirit at your disposal 24/7 to protect, counsel and guide you in all wisdom. This is not man's wisdom, which goes the opposite way of God's standard, but God's wisdom from on high!

*And he called his ten servants, and delivered them ten pounds, and said unto them, Occupy till I come. ...Luke 19:13*

You and I were created in God's image to have dominion over all the earth and to occupy it until He comes back. We are all created in His image which means we have His DNA! God created and wired each one of us to be creators and builders just like Him. From the beginning, God made it clear to Adam that he, as man, would have dominion over everything on earth. This was not to rule over or to control other people but to be a servant and to take care of the special garden earth God gave to Adam. Jesus made it clear that all authority was given to Him from the Father.

*"And Jesus came up and spoke to them, saying, All authority has been given to Me in heaven and on earth." Matthew 28:18.*

*"And in Him you have been made complete, and He is the head over all rule and authority." Colossians 2:10.*

God always intended to equip man with power from Heaven and to give him dominion, not to rule over others, but to serve and love others. That power comes from the 3rd person of the trinity, the Holy Spirit. This would not be given to him until Jesus paid the price on the Cross, resurrected from the grave and then was taken back to heaven to be seated at the right hand of the Father. Ephesians 1:20 says: "*which He brought about in Christ, when He raised Him from the dead and seated Him at His right hand in the heavenly places.*"

Let's talk about taking dominion and occupying from God's perspective. In Genesis 1:16, God made the two great lights -the greater light to have dominion over the day and the lesser light to have dominion over the night, as well as the stars. God inspired man to discover and create fire to help cook food and provide both light and heat to keep warm. Many other scientists studied electricity and began to understand more about how it works. In 1749, *Benjamin Franklin* invented a lightning attractor or Franklin rod, as part of his groundbreaking exploration of electricity. In 1879, *Thomas Edison* invented the electric light bulb and our world has been brighter ever since! Since then man has been able to provide amazing benefits and products not to mention all the services that are now available and affordable to most people in our country! Think about this all the amazing products just in the last 150 years!

The American Free Enterprise System is responsible for most of the advancements in bettering life for all humanity. God planned this from the beginning. ***In our DNA, God wired us to build things and create things that would advance science, medicine, engineering, technology and business to meet the needs of all mankind and to make life more enjoyable and easier giving us all a higher better quality of life.*** The only thing that keeps this wonderful progress from happening, slows it down or destroys it is government, criminals and individual people settling for the crumbs and the scraps of life instead of dreaming big dreams.

*The best and most recent example of this is what our government did in 2010 by trying to take over the best healthcare system ever designed on earth for a nation. Now the world has data and factual proof that just because something is free it does not make it good quality, effective and less expensive. In fact they destroyed it and it ruined millions of lives and made it more expensive for everyone. Obamacare was a complete disaster and destroyed the opportunity for millions of Americans to afford their healthcare. This was the last step in Obama's "Alynski" plan to take over America and turn us into a socialist state.*

The ones who were supposed to get help and free healthcare either could not afford the fees or, if they got on the new system, they quickly found out that the care was either not available. It was poor care or not covered at all. It was the small business owners who were hurt the most. This affected the health care of 80% of Americans as small business owners employ 80% of Americans.

Everything our government touches, and tries to regulate and manage fails miserably! When the government goes outside of the constitutional mandate responsibility of defense, law and justice and transportation they destroy it. They over tax and regulate its citizens. Thankfully, there is hope with the new Trump administration which has eliminated over 700 regulations thus far and has given us Americans a desperately needed major tax cut! So what happens when Obama and the Democrats ruins the greatest healthcare system and medical services in the world that 350 million citizens depend on?

### **Here is the Good News for AMERICANS!**

God will raise up entrepreneurs to find a way to fix the problem that the government created in the first place. The only problems we had with our health care system before 2008 were the problems that our government intrusion created in the last 40 years under Democrat policies.

Remember this statement:

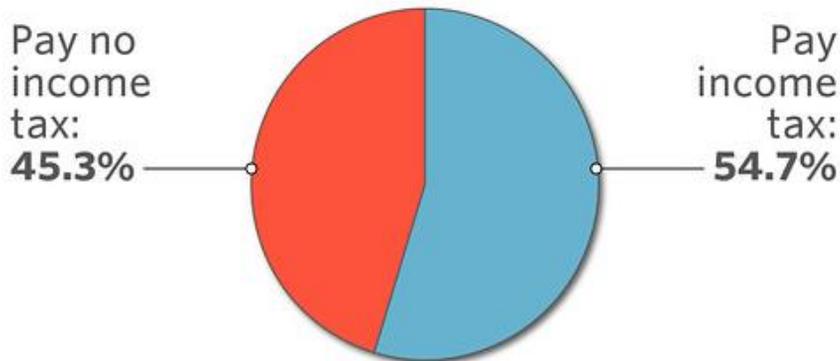

### ***"The new healthcare is now called self-care"***

The future of healthcare for you and our families is for you and I to be proactive and preventive. Exercise, eat smart, take quality vitamins and supplements and now we can use technology to help monitor our health! Like everything else in life we learn as adults it is up to us to take personal responsibility and not depend on someone else or the government. That's right, our founders never intended healthcare to be a right for every illegal alien or even every American citizen! No one has a RIGHT to a housing, food, cell phones, transportation and healthcare! Success and equal outcomes are not rights. Success must first be desired and earned by each individual.

Government can only steal and take so much money away from its producers and workers before its citizens either give up and give in to Socialism and government control as they did in Europe and Canada. Or they fight back as we did in the Revolutionary War. Americans tend to fight back because of our founding principles, the 2<sup>nd</sup> Amendment and because we will only take so much corruption as we have seen and experienced under the Clinton, Bush and Obama Regimes.

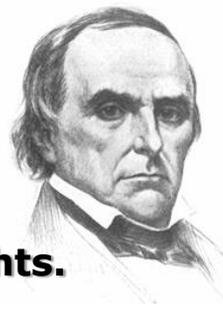

For the first time in American history the Democrat Party did not have even one representative in either the house or senate who wanted to give a small tax cut to its citizens in 2017. In other words, Democrats believe that it is their money and they want to tax and steal even more money from you! They believe it's all their the money in the first place and it all belongs to the government to use as they see fit because you are too stupid to know what is best. Under the Obama regime 49% of Americans paid NO federal taxes, 45 million Americans were on food stamps! Does this seem fair? Is this good for America?

## 45% of Americans pay NO federal income tax.

Yes, you, I and God are a majority with authority! However, if we the church and the individual Christian citizen do not know this or do not act accordingly in applying that power and authority we have been given as God's ambassadors and as American citizens, then we are squandering our opportunity and we give over the control to the corrupt politicians and globalist elites to control us as they see fit.

**That's the mission of FQA:  
To train up a new generation  
of patriots who are educated  
on the Constitution, passionate  
about liberty, and willing to fight  
and protect their freedom and rights.**

God grants liberty to only those who love it and who is always ready to guard and defend it.

~ Daniel Webster<sup>37</sup>

Our founders never intended government to become our brother's keeper and the controlling force in our lives. Today, our government has become a huge corrupt socialist welfare state with more government and social programs such as Obamacare, Medicare and Medicaid which breed more corruption and fraud. For example, On July 30, 1965, President Lyndon B. Johnson, a Democrat, made **Medicare Law** signing H.R. 6675 in Independence, Missouri. Former President Truman was issued the very first Medicare card during the ceremony. The government told voters that by 1990 it would cost only \$9 Billion dollars. The actual cost was over \$105 Billion and in 2015 the cost grew to \$245 Billion. I guarantee you that 50% of this is fraud, waste, abuse and taking advantage of the tax payers. Please take time to google the last bill congress passed in 2017. I promise it will make you sick to your stomach. *Hopefully sick enough to start calling your representatives, engage in the political process and start voting in only people who will fight to start cutting government spending and balancing the budget.*

This is just the same old mentality of the destructive and dangerous ideology called socialism which has been tried in every nation and fails wherever it is tried. Wherever it exists today, you find poverty, theft, crime, destruction and death. Just look at the latest example in Venezuela. Look at the cities in America that have been under Democrat rule with socialist secular policies, cities like Los Angeles, Chicago, Detroit and Baltimore. California, now under Governor Brown's rule, has become the state with the lowest quality of life! They are bankrupt and if it wasn't for tourism, Hollywood and Silicon Valley they would be another Venezuela. The only people who benefit are those in the government who push and promote class envy, racism, and big government policies which benefit the few at the expense of the masses. Their only plan is to continue to go to their low information uneducated voters and talk them into believing they are victims and they need even more government aid and control over their lives to fix the failures they created in the first place. This only makes sense to an evil criminal perverse mind. Government cannot provide anything or create anything unless it first steals and takes it from someone else. This is why Democrats always want to raise taxes! Remember what Alexander Tyler told us in 1787, "A democracy will continue to exist up until the time that voters discover they can vote themselves generous gifts from the public treasury".

***Let's take a look at just how much Obama accomplished in his 8 years.***

**Obama and Hillary** were greatly influenced by the writings and philosophies of Saul Alinsky, the author of the book "Rules for Radicals" – and Obama was mentored by radical Marxist self proclaimed Communist Frank Marshall Davis, who had similar philosophies. This book was written in 1971 and dedicated to Lucifer (Satan) ~ Hillary Clinton was so taken and influenced by Alinsky, that she did her college thesis on his book. The thesis has since been sealed to keep it from the public! Everything we are witnessing today from the left, the Democrat Party is based on this philosophy of the original "community organizer" Alinsky, activities like protesting and destroying property and creating CHAOS! Blaming your opponents on things you are really doing in secret. Like the Russian Collusion BS story, claiming Trump claiming tried to steal the election. The truth and reality is it was Obama and Hillary using their radical leftist allies in the FBI, (McCabe, Comey and Muller) the CIA (Brennen) and the NSA (Clapper) and the DOJ, (Loretta Lynch) to first steal the election from Bernie. But God upset their plan as they all thought the election was in the bag for Hillary! So they had a back-up plan to blame it all on Trump with the Russia Collusion Scam! And now its all crumbling down around them like a house of cards and all the truth is coming out. The question is will justice be done? When you read the book, we learn that Alinsky was just taking what he learned from the most successful communists who were influenced and empowered by Satan. This is his goal to be able to control a nation and destroy it's people. And this is how Obama and Hillary brought so much corruption and wickedness upon America. When you read the book "the Paradigm, you will see it was to bring the spirit of Baal upon our nation! Which fills the vacuum when a nations rejects, mocks, rebels and their hearts turn from God.

**There are 8 levels of control that must be obtained before the enemies of God can create a social state.**

**"HOW TO CREATE A SOCIAL STATE BY SAUL ALINSKY"**

- 1) **HEALTHCARE** (1992-2016) - Control healthcare and you control all the people!
- 2) **EDUCATION** (1933 -1965) - Take control what children and students read and listen to. Take control of what they learn in school. Eliminate Christian religious teaching.
- 3) **POVERTY** (1965-2016) - Increase the poverty level as high as possible, poor people are easier to control and will not fight back if you are providing welfare and benefits to live.
- 4) **DEBT** (1965-2016) - Increase the debt to an unsustainable level. That's way you aew able to increase taxes and this will produce even more poverty.
- 5) **RELIGION** (1943 -1963) - Remove the belief in God from the government and schools.
- 6) **WELFARE** (1965-2016) - Take control of every aspect of their lives and make them dependent. (food, housing, and income, healthcare)
- 7) **CLASS WARFARE** (2009) - Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take (TAX) the wealthy with the support of the poor (Envy is a powerful force)
- 8) **GUN CONTROL** (1999) Remove the ability to defend themselves from the government. That way you can now create a police state and control all citizens.

## CHAPTER 6

### God and Our Founding Fathers – What Were They Thinking on Truth, Liberty and Legacy?

*"While we are zealously performing the duties of good citizens and soldiers, we certainly ought not to be inattentive to the higher duties of religion. To the distinguished character of Patriot, it should be our highest glory to add the more distinguished character of Christian."*

--The Writings of Washington, pp. 342-343. George Washington 1st U.S. President

On November 8th, 2016, Donald J. Trump became the 45th President of the United States, defeating supposedly the smartest and most experienced woman in the world, Hillary Rodham Clinton. No one believed that Trump could beat the most powerful, most connected, most popular candidate with the most foreign money in history. But it happened and it became the biggest political upset in history! And already, after only one year in office, Trump is going down as possibly the most successful president since President Lincoln. Why? Simply because he is doing everything he said he would do on the campaign and much more. He has accomplished more for the cause of freedom and economic prosperity in America in one year than all three of the last presidents combined.

But there is something different with this president. 50% of Americans supposedly hate and detest him and 50% love and are proud of the job he's doing. The polls say he only has a 41% approval rating, but we are getting wise to how the media does polls today, right? According to the polls Hillary was supposed to clobber Trump! Let's not forget his motto from day one of the campaign #MAGA – "Make America Great Again". The question is are there enough patriotic Americans ready to get behind those words and keep the momentum up? Normally, the party in power loses so many seats that they even may lose house or senate. We the church, the Christian Patriots, must take our game up a notch. The left is pretty fired up and they are showing a huge momentum with the younger voters age 18 to 35. This is why, as parents and grandparents, even though we are committed to keeping America free, it's not enough. The battle is winning converts from these three groups. The Independents, the Millennials, and the Latino community. We have a strategy to recruit and train in all three groups.

The list is up to about 157 great things that the president has already done to #MAGA, but if I could point to the top three things that President Trump is doing to bring all this success it would be:

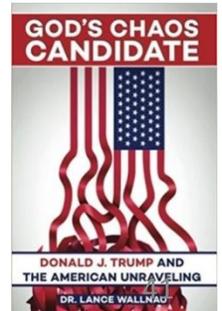

1. He is taking back America to the founding principles of the Constitution, which bring us back to a more limited government, less taxes and regulations. He is building back a strong military led by patriots and men of courage and is once again standing up to our foreign enemies and teaching us all how to fight back against our domestic enemies trying to destroy us from within!
2. He is taking America back to God and His standard which is means once again protecting religious freedom for all Americans including Christians, who Obama's regime was persecuting.
3. He is quietly and slowly taking back the power from the establishment elitist political class in both parties ("draining the swamp") and giving it to where it belongs and that is to

### **"We the People".**

*If my people, which are called by my name,  
SHALL HUMBLE THEMSELVES,  
and pray, and seek my face, and turn from  
their wicked ways; then will I hear from heaven,  
and will forgive their sin, and will heal their land.*  
2 Chronicles 7:14

I believe God heard the prayers and cries of millions of Christian saints to save their nation from the wickedness, corruption and tyranny of the pro-Muslim, anti-Christian Obama regime, the compassionate, big government globalist, GW Bush and of course "Blue Dress" Slick Willy, "Queen Jezebel Hillary" and the Clinton Crime Family which opened the demonic doors of abortion and sexual perversion upon our nation unlike ever before!

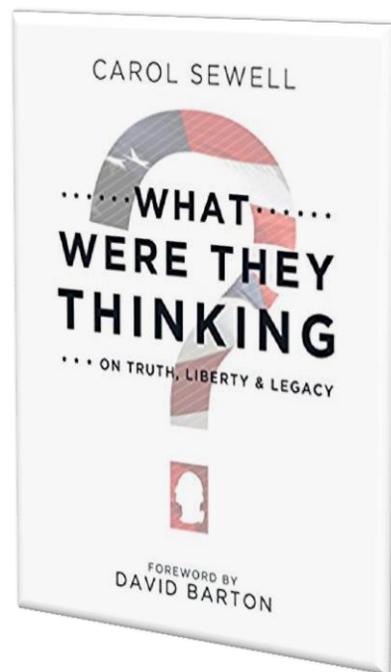

And this healing has started by Trump becoming the **"wrecking ball"** to the DC-PC Establishment, the political class, as Dr. Lance Wallnau calls Trump in his book **"God's Chaos Candidate"**.

This DC-PC establishment is just as responsible as Obama in destroying this nation's economy, killing the most innocent and vulnerable amongst us through abortion murder and empowering and equipping America's fiercest enemies - Iran, ISIS, Russia, North Korea and China. They did nothing to stop his agenda in 8 years! So the swamp is deep not counting the corruption in the deep state which includes the FBI, CIA, DOJ, ATF and IRS.

The title of this chapter **"What Were they Thinking? - On Truth, Liberty & Legacy"** is to promote the book of the same title written by my friend Carol Sewell.

This book is included in each Eagle Seminar and FQA membership because the Lord has birthed in me the same conviction and passion that Carol has. It is up to the church, each individual Christian citizen, to claim and take back what God has blessed us with. And that is a nation founded on the blood of millions who gave us this free nation. Those who came before us all sacrificed and died to protect and preserve our freedom for future generations!

This book was written out of a heartfelt cry to the Lord by Carol to understand how and why this once great nation was now failing. The Lord spoke to her heart very clearly saying that we, the body of Christ, have failed to pass on the faith to our children and grandchildren.

God commanded the Israelites to teach their children and grandchildren the Word of God and all His greatness. Because they did not obey, each succeeding generation increasingly fell into idolatry. This resulted in all the curses of Deuteronomy 28 coming to pass.

In the same way, the Lord said that not only had we, American citizens, not passed on our faith, but we also failed to pass on America's true Christian heritage embodied within both the Declaration of Independence and the Constitution. The fact is that most people are not willing to take time or to find the necessary resources to study the information and use what they learn. They just don't know what to do to engage in the political arena as citizens. American citizens, as a whole, are lazy and spoiled. We live in a microwave and drive through society where everything must happen quickly and taking time to study any subject is not the norm.

Based on that precept, Carol set out to compile all the information needed to encourage believers to become educated, active and empowered in order to impact our culture within a relatively short and interesting read. Our prayer, both Carol's and mine, is that you allow the Holy Spirit to speak through this book and the Eagle Seminar and bring you to a place of conviction and commitment to change the culture, beginning within your own family and community.

This material is all meant to transform our nation by equipping the saints with knowledge. As this nation is passed down from generation to generation, we will ensure the foundational Judeo-Christian values used to build this great nation are never forgotten and abandoned. Each generation is responsible to leave the next generation with more faith in Christ, blessing opportunity, liberty, and prosperity. Most importantly we, the people of God, need to be unified in order to win the very real war for the heart and soul of our nation.

Of the dozens of books I have read on our founding fathers, this is the book I selected as the manual to go along with the Eagle Seminar "The 3 Pillars of Freedom". This book is amazing and gives the reader so much information from a biblical and historical perspective for today's Christian student who wants to know and learn truth about the birth of the greatest nation on earth and its founding fathers. It will light a fire under Christians who love God, their country and their families.

Carol Sewell

# CHAPTER 7 - Sharing God's Solutions

(FreedomQuestAmerica.com and sgsministries.com)

*It's time to start your own freedom quest journey and start living like you're indeed FREE! Instead of fighting and scratching with turkeys and chickens for the crumbs "take authority and control of your life and learn to live and fly like an Eagle!" For as the body without the spirit is dead, so faith without works is dead also. [James 2:26](#)*

Both our ministry SGS Ministries and our education business FQA work hand in hand together. With SGS ministries our motto is to **Share God's Solutions** with people and meet them wherever they are. Our vision is to see more Christians living and working in their God-given purpose and experiencing the freedom in Christ we read about in [Galatians 5:1](#) *It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery.*

Our mission is to teach Christians and the body of Christ that the church is the answer and solution to all man's problems. For we are the salt and light of the world. For those who are lost it starts with knowing Jesus as their personal Savior. For those who are living lukewarm lives it starts with repenting and getting serious about your faith and living your life for Christ. And there are those who desire to do more for the kingdom. I believe that is a call to lead and influence others. The Bible, God's Word, was given to mankind to bring us back to God and to provide us with a manual on how to live our lives and how we, as a body, are supposed to work together in unity building the kingdom of God. In [Ephesians 4](#), Paul is explaining the purpose of the church and our individual responsibility as a follower of Christ and how the leadership of the church is supposed to operate. The end goal is to obey God in completing the mission of the Great Commission. Paul tells us in [Ephesians 4:11-13](#),

*<sup>1</sup> So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, <sup>12</sup> to equip his people for works of service, so that the body of Christ may be built up <sup>13</sup> until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.*

The key words here are **unity, faith, knowledge and maturity**, attaining the whole measure of the fullness of Christ. For almost 40 years now I have always had this passion and desire to bring God's people together across denomination lines. And that is the same strategy the Lord gave me for both FQA and SGS Ministries.

The enemy has fought this more than anything else in the church because he can only win and take more souls and destroy more lives if he keeps us divided and not working together to accomplish this scripture in Ephesians. I believe that 80% of Americans, and hopefully 80% of Christians, have more in common than the media, professors, and politicians lead us to believe. They are the ones trying to keep us divided for the purpose of their own agenda. And this helps the new age one world religion and globalist elite fulfill their mission much faster. Keep in mind, this all falls under Satan's last days strategy because he knows his days are short and numbered. The key for us is to focus on what unites us in the body of Christ. Those of us who desire unity and desire to be ready need to be available to the Lord in these last days.

FQA's mission and vision is to raise up a new generation of passionate, educated, Christian patriots who are willing to engage in this spiritual, political and economic battle. There is more at stake than most realize and not enough Christians realize how close we are to a major event that can affect every American's freedom and liberty. Just like Israel 3,000 years ago, we have allowed the spirit of Baal (Satan) to take over our nation! Too many Christians are selfishly enjoying their pleasure cruise life or else they are on the other side of the spectrum, struggling to get through everyday working and trying to pay bills to just survive. Too many have become fat, lazy and too comfortable! Too many have become fearful, complacent and deceived. Too many are broke and struggling in debt, sickness and isolation. Well, I am sounding the alarm to the church and I am shouting out **"It's time to WAKE UP!"**

I believe we have entered into the last days of the last days! I encourage you to go to YouTube and start watching some videos from established credible prophets who God is using to help educate and WAKE UP the church! Sadly, teaching prophecy is just another area where the local church has failed its members. Although I have been a student of prophecy for 37 years and have operated as a watchman in the body, there are many great prophets with different ways and messages in communicating their prophecies from the Lord. God does not put all prophets in a the same box so neither should we. One reason pastors and most Christians stay away from prophecy is because they only relate it to the rapture or see it only as gloom and doom! The main reason to understand prophecy is to make sure we are prepared and that we are living our life in obedience with Christ and with urgency in terms of winning people to the Kingdom.

The facts do not bear well for the modern church. Nine out of ten Christians have never led one person to Jesus. Its simple, lukewarm selfish Christians don't lead others to Christ!

I want to introduce you to one pastor in particular, Steve Cioccolanti, because of his anointing and his timely prophecies concerning our nation and President Trump. Below is a link to this first video. I encourage you to ask the Lord to direct you to check out all his teachings and prophecies, including his end time prophecies. He has been boldly prophesying for more than 20 years now and has been proven credible and very accurate! ~ *Start with this one for Trump*

***The Donald Trump Prophecy - End Time President 2017 -***  
**<https://youtu.be/FsQG6WzmuE8>**

Let's go back to Ephesians 4, where Paul is explaining the purpose of the church and our individual responsibility as a follower and disciple of Christ and how we as members of the body of Christ are supposed to operate. The end goal is to obey God in the completing the mission of the Great Commission.

<sup>11</sup> So Christ himself gave the apostles, ***the prophets***, the evangelists, the pastors and teachers, <sup>12</sup> to equip his people for works of service, so that the body of Christ may be built up <sup>13</sup> until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

<sup>14</sup> Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of people in their deceitful scheming. <sup>15</sup> Instead, speaking the truth in love, we will grow to become in every respect the mature body of him who is the head, that is Christ.

<sup>16</sup> From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.

I want to leave you with my interpretation of God's word. Not all Christians agree with this and that's fine. I am one who likes to take God at His word. But I have seen a big change in preaching in the last 10 to 15 years. Many pastors are preaching more of a positive milk toast motivational type word, flowered with the gospel of tolerance, peace and convenience. They are calling this the gospel of GRACE.

They are leaving out the foundational teaching on righteousness, holiness and God's mercy and justice. Today most people who profess Christ as Savior have not been and are not being disciplined and mentored. What we have been left is what Matthew wrote to us in Matthew 7

<sup>13</sup> Enter ye in by the narrow gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many are they that enter in thereby. <sup>14</sup> For narrow is the gate, and straitened the way, that leadeth unto life, and few are they that find it. <sup>15</sup> Beware of false prophets, who come to

you in sheep's clothing, but inwardly are ravening wolves. <sup>16</sup> By their fruits ye shall know them. Do men gather grapes of thorns, figs and thistles?

<sup>17</sup> Even so every good tree bringeth forth good fruit; but the corrupt tree bringeth forth evil fruit. <sup>18</sup> A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. <sup>19</sup> Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. <sup>20</sup> Therefore by their fruits ye shall know them. <sup>21</sup> Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father who is in heaven. <sup>22</sup> Many will say to me in that day, Lord, Lord, did we not prophesy by thy name, and by thy name cast out demons, and by thy name do many mighty works? <sup>23</sup> And then will I profess unto them, I never knew you: depart from me, ye that work iniquity. <sup>24</sup> Every one therefore that heareth these words of mine, and doeth them, shall be likened unto a wise man, who built his house upon the rock: <sup>25</sup> and the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon the rock. <sup>26</sup> And every one that heareth these words of mine, and doeth them not, shall be likened unto a foolish man, who built his house upon the sand: <sup>27</sup> and the rain descended, and the floods came, and the winds blew, and smote upon that house; and it fell: and great was the fall thereof. <sup>28</sup> And it came to pass, when Jesus had finished these words, the multitudes were astonished at his teaching: <sup>29</sup> for he taught them as one having authority, and not as their scribes.

Matthew 7:13-29 (ASV)

### THE BIBLE WARNS US OF FALSE PROPHETS IN THE LAST DAYS

**2 Peter 2:1-3**

**Matthew 7:15**

**Matthew 24:24**

**Mark 13:22**

**1 John 4:1-6**

**2 John 1:7-11**

**2 Timothy 3:5**

**2 Timothy 4:3**

***"Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams. Even on my servants, both men and women, I will pour out my Spirit in those days, and they will prophesy"*** (Acts 2:17-18).

## **There are 3 ways to get involved with our mission:**

- 1. To become a Prayer Warrior** with us. Some Christians understand the power of corporate prayer and intercessory prayer but most do not and that is why they never have engaged. I believe that God is going to give us thousands of prayer warriors with this “2 who find 2” strategy who will be located in every state in the country. Yes, we want and need as many people as possible! God looks at the obedience and the heart of the people. I know God loves it when the brethren work together in unity and love. The best way to start and keep unity is with prayer!

*Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment. 1 Corinthians 1:10 KJV.*

One of my favorite verses which has guided me in discerning who is really walking in God’s truth and love is John 17:23 – *I in them and you in me, so that they may be brought to complete unity. Then the world will know that you sent me and have loved them even as you have loved me.”* **“we also bear witness with each other”.**

- 2. To become a Soldier Warrior** or what I call a modern day Christian Patriot. This is like the original patriots of the Revolutionary War. It was only about 10% of the citizens of the colonies at that time who were leading the rest into going to war to earn their independence from England and King George. Many times in history we see God raising up leaders who kept liberty and freedom alive. I think of George Washington, Abraham Lincoln, Winston Churchill and Ronald Regan and now Donald Trump.

**3. To become a Team Warrior**, by making a decision to start your own business or to dedicate your current business to the cause of freedom and liberty. The first goal is to make sure you become debt free and secure your family for potential tough economic times that are coming to America. You also desire to put yourself in a position to be a blessing to your family, church and community. Most people are not concerned about preparing properly for the future. I suggest everyone really study the book of Proverbs and read the daily proverb, as this book gives so much advice and instruction on business, doing our work and creating wealth God's way. Again, it seems most Christians are either on one extreme or the other! We have the best most comprehensive biblical teaching on finances for our members its called, **"Financial Fitness"**, along with the book Financial Matrix.

So what is the next step after attending a FQA Zoom presentation or reading this e-book? Become a Freedom Quest America member! Check out our website [www.freedomquestamerica.com](http://www.freedomquestamerica.com) to join, its FREE! Also enroll in the **Eagle Seminar - The 3 Pillars of Freedom** class, which I have developed to prepare and teach this strategy to Christians, Conservatives and Capitalists for this battle and mission. There are three books that I recommend to go along with the seminar **What Were They Thinking?** by Carol Sewell, **The Financial Matrix** by Orrin Woodard, **Politics Easy As Pie** by Bob McEwen. All of these authors have additional resources to grow and learn about how we can defend our freedom and liberty.

For more information about Freedom Quest America and "The Eagle Seminar - 3 Pillars of Freedom" class, please contact me:

# Ephesians 4 (NIV) **Unity and Maturity in the Body of Christ**

*FQA and SGS Ministries can be better understood in terms of what our mission is by reading and studying the book of Ephesians. However, chapter 4 provides a good introduction and summary. I pray you will be blessed and encouraged in your faith as you join us in your own ....*

## **Freedom Quest Journey.**

**4** As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. **2** Be completely humble and gentle; be patient, bearing with one another in love. **3** Make every effort to keep the unity of the Spirit through the bond of peace. **4** There is one body and one Spirit, just as you were called to one hope when you were called; **5** one Lord, one faith, one baptism; **6** one God and Father of all, who is over all and through all and in all.

**7** But to each one of us grace has been given as Christ apportioned it.<sup>8</sup> This is why it says:

*“When he ascended on high, he took many captives and gave gifts to his people.”*

**9** (What does “he ascended” mean except that he also descended to the lower, earthly regions? **10** He who descended is the very one who ascended higher than all the heavens, in order to fill the whole universe.) **11** So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, **12** to equip his people for works of service, so that the body of Christ may be built up **13** until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

**14** Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of people in their deceitful scheming. **15** Instead, speaking the truth in love, we will grow to become in every respect the mature body of him who is the head, that is, Christ. **16** From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.

## **Instructions for Christian Living**

**17** So I tell you this, and insist on it in the Lord, that you must no longer live as the Gentiles do, in the futility of their thinking. **18** They are darkened in their understanding and separated from the life of God because of the ignorance that is in them due to the hardening of their hearts. **19** Having lost all sensitivity, they have given themselves over to sensuality so as to indulge in every kind of impurity, and they are full of greed.

**20** That, however, is not the way of life you learned **21** when you heard about Christ and were taught in him in accordance with the truth that is in Jesus. **22** You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; **23** to be made new in the attitude of your minds; **24** and to put on the new self, created to be like God in true righteousness and holiness.

**25** Therefore each of you must put off falsehood and speak truthfully to your neighbor, for we are all members of one body. **26** “In your anger do not sin: Do not let the sun go down while you are still angry, **27** and do not give the devil a foothold. **28** Anyone who has been stealing must steal no longer, but must work, doing something useful with their own hands, that they may have something to share with those in need.

**29** Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen. **30** And do not grieve the Holy Spirit of God, with whom you were sealed for the day of redemption. **31** Get rid of all bitterness, rage and anger, brawling and slander, along with every form of malice. **32** Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.

# Thank you

*... for taking the time to read this and I pray that you bear witness and are encouraged to get involved with this important mission on some level. Until we talk or see each other again, please pray for God's anointing and protection on our mission and please consider sharing this with those that you love and care about... the Lord has promised me so many will be saved and restored back to Him, our heavenly loving father.*

*Steve G. Sandoval*

"And then the sign of the Son of Man will appear in the sky, and then all the tribes of the earth will mourn, and they will see the SON OF MAN COMING ON THE CLOUDS OF THE SKY with power and great glory. Matthew 24:30

12 Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. 2 Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will. Romans 12:1-2 (NIV)

**The fear of the Lord is the beginning of knowledge,  
but fools despise wisdom and instruction. Proverbs 1:7**
